	DEFINITIONS
*	Gross Interest is the contractual rate of interest payable (without deduction of tax) and you will be responsible for paying any tax you owe on interest as per your individual personal savings allowance.
**	AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year.
***	Tax Free rate of interest is the rate payable, under current legislation, where interest is exempt from income tax. (Your tax benefits will be lost if your ISA ceases to be tax exempt).
+	Monthly Interest will be transferred to another Cumberland account or bank account but cannot be automatically added to the account.
٨	Effective Annual Interest Rate is the interest rate that is actually earned or paid on an investment, loan or other financial product due to the result of compounding over a given time period.
	ADDITIONAL INFORMATION
•	Interest rates on accounts not listed are available on request
•	Interest rates shown apply on both share and deposit versions of the account
•	Full details of accounts, including T&Cs and charges for account services are available on request from your local branch
